

Comparing Cultivars

In a Budburst Nativars Garden, compare two plants within a plant group, one native and one nativar.

Plant Group:		
	Native Plant	Nativar (cultivar of native plant)
Plant Name:		
How did you determine whether the plant was a native or a nativar?		
Describe and/or draw two similarities between the native & the nativar.	1. 2.	
Describe and/or draw two differences between the native & the nativar.	1. 2.
